belton.ffanow.org

Class Description: To be prepared for careers in agriculture, food, and natural resources, students must attain academic skills and knowledge in agriculture. This course allows students to develop knowledge and skills regarding career opportunities, personal development, globalization, industry standards, details, practices, and expectations. To prepare for success, students need to have opportunities to learn, reinforce, experience, apply, and transfer their knowledge and skills in a variety of settings.

Texas Essential Knowledge and Skills (TEKS) Subjects:

FFA Participation:

It is very strongly recommended that students participate in the Belton FFA Chapter. There are many leadership and career development activities and events that directly relate to this class, which will greatly enhance your student's high school experiences. There are also community service and scholarship opportunities available to FFA members. Participation in these events will be limited to FFA members. Students and parents are highly encouraged to join and follow the Belton FFA on social media.
